2019 BOB PETERSON MEMORIAL TELECOMMUNICATIONS SCHOLARSHIP

James Valley Telecommunications will be awarding three \$2,000 scholarships this school year to area seniors whose parents or legal guardians are members of the cooperative.

Scholarship applications have been forwarded to the guidance counselors at area schools. Applications are also available online at www.jamesvalley.com.

The deadline for returning the scholarships to James Valley Telecommunication's office is March 1, 2019. All applications must be received in the office by that date to be considered.

Seniors must be attending an accredited college, university or vocational school in South Dakota in the fall of 2019. A

minimum GPA of 3.0 is required. As part of the application process, all applicants must submit a short essay of 400 words or less on the topic, "What industry or opportunity would entice you to return to a rural community after completing your education, and why?"

JVT members can also apply for the Foundation for Rural Service (FRS) scholarship. Requirements and application instructions are available at frs.org.
