SCHOLARSHIP AVAILABLE TO JVT MEMBERS

The South Dakota Telecommunications Association (SDTA) is now accepting applications for the Brian Meyer Memorial Scholarship. Two scholarships in the amounts of \$1,250 and \$500 will be awarded for the 2019 spring semester.

The scholarship is available to applicants who have completed at least two semesters of course work at an accredited post-secondary school in South Dakota. The applicant or applicant's family must be a subscriber of an SDTA member company.

Applicants must complete an application, write a short outline of their career plans following completion of their post-secondary

education, and submit a brief essay on the future of small town South Dakota and what can be done to enhance the quality of life in rural areas through the use of technology. Also needed are a copy of the applicant's most recent transcript and at least two letters of recommendation. The deadline to submit an application for the Brian Meyer Memorial Scholarship is October 30.

For more information on the Brian Meyer Memorial Scholarship, contact any post-secondary institution financial aid office, the South Dakota Telecommunications Association at 605-224-7629 or admin@sdtaonline.com. The application is also available online at www.sdtaonline.com/resources/scholarships.

OCTOBER IS COOPERATIVE MONTH

Would you trust a business more if you owned it? Cooperative businesses like James Valley Telecommunications are owned by more than 120 million Americans.

Member owned cooperative businesses touch the lives of virtually all Americans every day and provide almost every product and service imaginable. And since cooperatives are owned by their members, you know you are getting a good deal and that more of the money you spend stays in your community.

JVT is proud to be a part of the communities it serves and demonstrates its commitment through donations, sponsorships,

scholarships, gross receipts taxes, and the involvement of our employees in community service organizations, youth sports, volunteer groups, and more.

One of the best benefits of being a member of a cooperative is the payment of capital credits. For every dollar you spend with JVT, a percentage will be returned back to you! How it works is any income over JVT's expenses results in margins, which are returned over time to the members in the form of capital credits. Over the past 15 years, over 30% of member patronage was allocated back to members. Thank you for your partnership!
