Why Choose Streaming

There are many options when it comes to streaming which means switching from traditional TV doesn't mean you have to give up your favorite channels. There are good reasons why four out of every five homes in the U.S. are now subscribing to at least one streaming service:

Monthly Savings

Many people are replacing costly traditional TV plans with much more affordable streaming services, some of which have free trial periods.

Plus, stop getting charged for channels you never watch and cancel anytime with monthly billing.

Convenience

Nobody wants to be tied to a TV schedule. Streaming lets you watch what you want, when you want and where you want.

Personalization

Streaming services make recommendation on what series or movie to watch next based on your viewing profiles.

Visit our website for more information on streaming how-tos and service options.

Marjae Celebrates 25 Years

Congratulations to Marjae Schinkel, who recently celebrated 25 years with NVC/JVT. She is pictured receiving a plaque from CEO James Groft.

Marjae has seen a lot of change in her

25 years as a Customer Service Representative, but she remains calm and cool through it all. She doesn't get rattled in stressful situations and is a calming influence on those around her. She is a hard worker who gets the job done. Thank you Marjae!

AAHS Sponsored Pet

We're happy to report our January Aberdeen Area Humane Society sponsored pet, Fryin' Pan, was adopted. She was a stray that was trapped using an old frying pan, hence the name! If our sponsored pet is adopted during that month, we donate \$250 to the AAHS. Thank you to all who shared our post on Facebook!

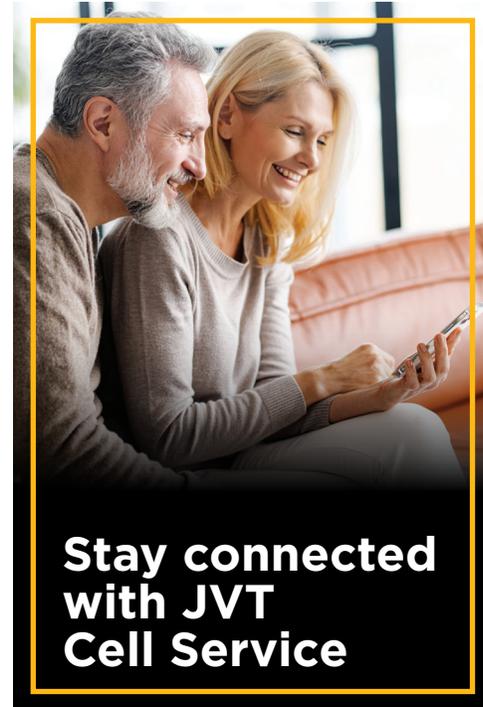

The AAHS is full of amazing animals waiting to find homes. Visit anewleashonlife.net to find your new best friend!
