How to Use ChatGPT in Your Daily Life

ChatGPT can be used for everyday tasks like generating recipes, creating workout plans, writing emails, and planning trips. It can also help with problem-solving, such as health advice, diagnosing home repair issues, and brainstorming ideas.

ChatGPT

By using it to automate minor tasks and for quick

information gathering, it can increase efficiency in both your personal and professional life. Tips for getting started are below.

Start with simple tasks: Begin with low-stakes tasks like writing emails or planning a meal to get comfortable with the tool.

Provide context: The more details you provide in your prompts, the more helpful the response will be.

Refine: Don't be afraid to ask follow-up questions or ask ChatGPT to revise its response. Responses will vary over time.

Know its limitations: It is best not to use it for tasks that are highly sensitive, critical to your career, or require a personal human touch.

You can access the official free version of ChatGPT, which is available on the web at www.chat.com and through official mobile apps. You do not need to pay for a subscription or create an account to use it.

If you want to save your chat history or unlock more features signing up for a free account is required.

Hat & Mitten Collection Box

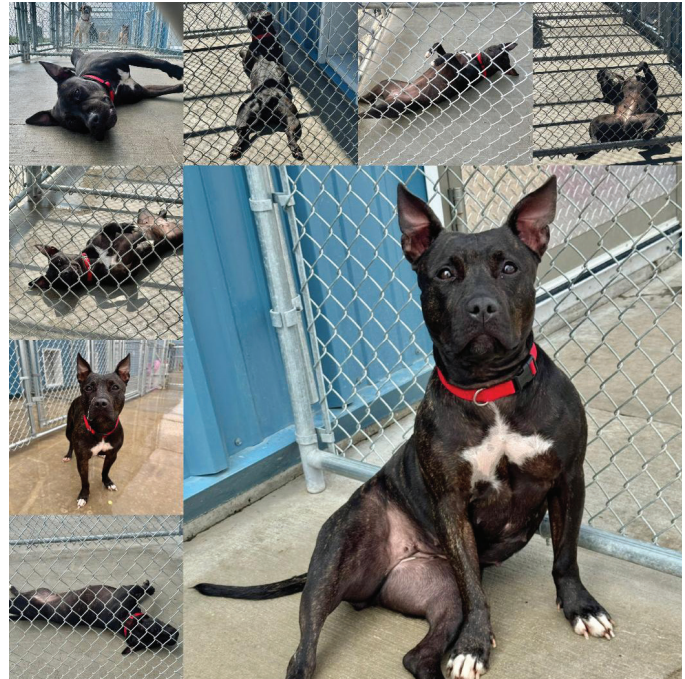

We are proud to have a drop off box for the Aberdeen Area Chamber of Commerce Hat & Mitten Drive. You can drop off new hats and mittens through December 9 at our Aberdeen Retail Store at 3211 7th Ave SE Suite 102.

Cash donations can be made at the Aberdeen Area Chamber of Commerce on Main Street in Aberdeen. All donations will go to Aberdeen area elementary school kids.

AAHS Sponsored Pet

As of printing deadline, our September Aberdeen Area Humane Society sponsored pet Vesta is still available for adoption. Approximately 1-year-old, Vesta came in as a stray that went unclaimed. She's pretty reactive to the other dogs here through her kennel but could do better meeting other pets on mutual ground. She would probably do best with teenage kids, and she did awesome on our agility course on her FIRST try! She's smart, playful, and ready to find a family who will let her shine. Come rescue Vesta soon!

We donate \$250 to the AAHS if our sponsored pet is adopted during that month. Thank you to all who shared our post on Facebook! The AAHS is full of amazing animals waiting to find homes. Visit anewleashonlife.net to find your new best friend!

Looking for some easy money? Just refer a friend to JVT and you and your friend will each get a \$100 credit on your next bill! Just have them give us your name as the referrer.

That's \$100 you have to spend somewhere else. So get out there and tell your friends about JVT!
